

Table Talk

Donghia's Legacy Collection combines new details and materials in a line of nesting, occasional and side tables (Lowell Desk pictured here). Handcrafted accents of natural stone, leather and bronze set off gleaming, sustainably harvested hardwoods, creating a polished look for any space. **Donghia**, The Washington Design Center, Washington, DC. Luxury Underfoot

Thos. Moser has introduced a new line of elegant hand-knotted Tibetan rugs designed by Marcia Weese of Weese+Design.

Inspired by her Midwestern roots, the Prairie collection includes patterns such as Grain, Root and Wind. These rugs are available in a rich palette of 20 wools and six silks, in any size up to 22 feet wide by 25 feet long. **Thos. Moser**, Washington, DC. (202) 338-4292. www.thosmoser.com.
